THE PACIFIC  
CLUB GUILTYSeven Supreme Court  
Decisions Filed  
Yesterday.

Several decisions were rendered by  
the Supreme Court yesterday.

Justice Hartwell, writer of the opin-  
ion, and Judge Robinson find that the  
Pacific Club was properly fined \$100  
and costs by District Magistrate  
Whitney for selling liquor without a  
license. Judge De Bolt files a dis-  
senting opinion.

Justice Wilder writes the unanimous  
opinion of the court, constituted of its  
own members, affirming the decree of  
Judge Robinson dismissing bill against  
C. W. Booth and W. E. Fisher to re-  
form the Pacific Heights mortgage.

Chief Justice Frear, writer of the  
opinion, Justice Hartwell and Judge  
De Bolt are unanimous in denying a  
rehearing to T. M. Harrison of his  
suit against J. A. Magoon and others,  
to recover losses on the Hagey cure  
contract.

Chief Justice Frear, Justice Hartwell,  
author of the opinion, and Judge De  
Bolt affirm the decree of Judge Robin-  
son confirming the foreclosure sale in  
the suit of H. Hackfeld & Co., Ltd.,  
vs. W. C. Achi, Kapiolani Estate, Ltd.,  
W. R. Castle and J. M. Monsarrat, with  
this condition: that the decree con-  
firming the sale will be set aside un-  
less within one week from the decision  
the plaintiff remit from its deficiency  
judgment against the defendants the  
sum of \$6470 for the value of the ani-  
mals shown by the receiver's subse-  
quently filed report to have been on  
the premises. The late Franz Buch-  
holtz bought the property at the sale,  
bidding \$9500 for one parcel and \$4250  
for another parcel of land—the live-  
stock on either parcel not having been  
stated before the sale—and the defi-  
ciency judgment was for \$27,014.42.

Chief Justice Frear, writing the opin-  
ion, Justice Hartwell and Judge Robin-  
son grant a writ of mandamus to com-  
pel Judge De Bolt to hear a motion for  
a change of venue for the trial of  
Charles A. Brown's suit against J. D.  
Spreckels and others, relative to Hilo  
waterfront property. The court finds  
that a motion for a change of venue  
is not in the same class with sitting  
on an appeal or new trial, either of  
which two latter circumstances is by  
the Organic Act a disqualification of  
a judge who has given a previous  
judgment in any case affected.

Chief Justice Frear, Justice Hart-  
well, writer of the opinion, and Judge  
Robinson deny the motion of Helen  
Rowland for a rehearing of the case  
of Frank Godfrey, trustee, vs. Helen  
Rowland and others.

The regularly constituted court, in  
an opinion written by Justice Wilder,  
decide that it was the duty of the  
Circuit Court stenographer, subject to  
direction of court, to furnish to the  
Attorney General without charge a  
copy of transcript of evidence in a law  
action instituted for use of Territory.  
An appeal from the refusal of the Au-  
ditor to pay the stenographer's bill of  
\$43.74 out of the Attorney General's  
incidentals is dismissed.

TO THE POLICY HOLDERS OF  
the EQUITABLE LIFE AS-  
SURANCE SOCIETY of the  
United States, in the Ter-  
ritory of Hawaii.

Honolulu, T. H., March 4, 1905.

Gentlemen: It gives me great pleas-  
ure to inform you that the recent  
Equitable controversy has been mutu-  
ally, satisfactorily and permanently ad-  
justed. It is regrettable, however, that  
so much publicity should have been  
given to this matter before the results  
had been reached.

The principal result arrived at  
through this controversy is that the  
society has decided upon its complete  
mutualization, through a resolution  
unanimously adopted by its Board of  
Directors. For the purpose of carry-  
ing out this project in the interests of  
the policy holders, the following prom-  
inent and well known gentlemen have  
been appointed as a committee:

Valentine P. Snyder, James H. Hyde,  
Cornelius N. Bliss, James W. Alexander,  
Gage E. Tarbell, T. De Witt Cuyler,  
Chauncey M. Depeuw.

The present movement has been for  
the purpose of preserving through all  
future time the strength and prosper-  
ity of the society, and removes, in the  
opinion of many of its friends, the only  
obstacle in the way of its constant  
progress. This mutualization plan,  
which has been successfully adopted by  
the society, and which has been on the  
taps for some time, should give a  
tremendous impetus to the business of  
the society in the future.

I beg to remain,  
Very respectfully yours,  
BRUCE CARTWRIGHT,  
Manager, Equitable Life Assurance  
Society of the United States for the  
Territory of Hawaii.

mous country resort, on the line of

fresh and salt water bathing, shoot-  
ing, fishing, riding and driving. Tick-  
ets, including railway fare and one full  
day's room and board, are sold at the  
Honolulu station and Trent & Com-  
pany for \$5.00. For departure of trains  
consult time table.

On Sundays, the Haleiwa Limited, a  
two-hour train, leaves at 8:22 a. m.;  
returning, arrives in Honolulu at 10:10  
p. m.

## NEWBRO'S HERPICIDE

The ORIGINAL remedy that "kills the Dandruff Germ."

GOING! GOING!! GONE!!!

HERPICIDE WILL SAVE IT. HERPICIDE WILL SAVE IT. TOO LATE FOR HERPICIDE.  
THE LADIES OBJECT  
to a gummy and sticky hair dressing, or one that  
is full of sedimentary chemicals intended to dye  
the hair. The marked preference for a dainty  
dressing, particularly one that overcomes excess-  
ive oiliness and leaves the hair light and fluffy, is  
STOPS ITCHING INSTANTLY.

Drug Stores, \$1.00. Send 10c., stamps, to HERPICIDE CO., Dept. H, Detroit, Mich., for a sample.

JOINT LOAN COMMITTEE  
KNOCKS OUT ARMORY

The special joint committee on the loan appropriation bill will  
make the following report tomorrow:

Your joint committee on the loan appropriation bills have met  
and given the matter of the loan appropriation their earnest con-  
sideration, and beg to make a preliminary or partial report as fol-  
lows:

Under section 2 of the bill, and the heading "general appro-  
priations for all the islands," the committee recommends the strik-  
ing out of the items "government building, Honolulu, \$200,000,"  
also the item "armory, Honolulu, \$50,000."

The committee also recommends that the item, "educational  
buildings, \$50,000" be increased to \$100,000.

These recommendations would make the items under the "gen-  
eral appropriation for all the islands," as follows:

Government building, Hilo.....\$ 50,000  
Extension of wharf system..... 300,000  
Educational buildings ..... 100,000

Or \$200,000 less under the "general" heading than specified in  
the respective bills. Deducting this amount, \$450,000, from the total  
amount proposed being appropriated by the respective bills, (\$1-  
100,000) leaves a balance to be appropriated of say \$650,000 and this  
amount the committee recommend be appropriated to the various  
islands in the proportion in which each contributes to the Tax In-  
come of the Territory, as follows:

Oahu, 50 per cent. ....\$ 364,000  
Hawaii, 22 per cent. .... 143,000  
Maui, (Molokai and Lanai), 13 per cent. .... 84,500  
Kauai, (and Niihau), 9 per cent. .... 50,500

\$ 650,000

It is further recommended that the various island delegations  
caucus among themselves and make their own distribution, report-  
ing their own deliberations to this committee as a basis for a final  
report.

WILL WANT LAND FOR  
GOVERNMENT HOSPITAL

The authorities are beginning to look up the law with refer-  
ence to carrying into effect the provisions of the bill passed by  
Congress to appropriate \$150,000 to be devoted under the direc-  
tions of the government of the United States to a scientific study  
of the treatment and cure of leprosy.

It is not known yet, definitely, just what are the provisions of  
the bill as it passed Congress, the measure apparently having been  
amended in some substantial way at the last moment, but it is as-  
sumed that the Federal government will want to build a hospital  
and laboratories of its own at the Settlement, and if it does of course  
it will be necessary to set aside a tract of land for the purpose. The  
point now being looked into is as to whether the land for this use  
can be conveyed by the Territorial government.

MARCH STOLEN ON THE HAWAII SUPREME  
COURT.

(Continued from page 1.)

differentiated the status of Hawaii from that of territories pre-  
viously organized, putting it instead upon the plane of states so far  
as that question was involved.

By a Federal statute of 1876 appeals from Territorial courts lay  
to the United States Supreme Court in all cases involving the  
amount of two thousand dollars or more. It has been thought by  
the legal fraternity that the Organic Act, both from its specific  
dealing with the Hawaiian judiciary and from its later date, super-  
seded the general territorial statute of 1876 just mentioned.

JONES MURDER CASE  
GOING TO THE JURY

closing address for the defense, in the  
Jones murder case, to the jury yester-  
day. He spoke from 10 to 12, 2 to 4:30  
and 8 to 9 o'clock. E. C. Peters, De-  
puty Attorney General, began his ad-  
dress for the prosecution at 9 p. m.,  
spoke until 10 and will resume speak-  
ing at 9:30 this morning.

with F. C. Enos, agent, at Wells-Fargo  
& Co.'s office.

Mrs. Christian Gertz, who has for  
many years been persevering in the  
face of successive judicial decisions to  
bring fresh proceedings in the courts

without professional assistance, has  
a petition now pending before Judge  
Robinson for partition of certain prop-  
erty, including that which she has all  
along maintained she was deprived of  
without due process of law. Yester-  
day the matter was continued till 4:30  
p. m. Monday next.
